Random Scoots Guide Service and Lodging, Keene, NY

Thank you for choosing Random Scoots for your vacation accommodations. Our property is located in the hamlet of Keene, tucked away on a secluded private gravel road, a perfect combination that offers our guests both accessibility and privacy.

The following detailed directions will help our first time guests find their way to our little corner of paradise.

Location:

We are located in the hamlet of Keene on Bell Meadow Way. From the northerly junction of Rte 9N and Rte 73 (in the center of town at "Monty's Elm Tree Inn"), proceed on Rte 73 1/4 mile towards Lake Placid. Turn left onto Bell Meadow Way (just as Rte 73 begins climbing). Follow the "HASKINS" signs and you'll find us 1/2 mile up Bell Meadow Way on the right. See attached map.

Access:

Although the private gravel road that brings you up onto our hillside overlooking Keene has two steep spots, 2WD vehicles (preferably FWD) are adequate three seasons of the year. During snow season a 4WD/AWD vehicle (or a FWD vehicle with good snow tires) is required.
